

Dear Havana Mania Community,

First and foremost, I hope you and your family are in good health.

What an incredible time we are all living through. I cannot remember in the last 50 years of leaving in this great country of our more challenging time. Over the last few months, my wife, son, daughters, brothers and our incredible team have been working tirelessly in Havana Mania trying to continue to take care of our guests.

Thank you for your patience as we continue to work hard to serve our communities.

We are all in this together! Be safe and we look forward to continuing to serve you.

Sincerely,

Luis Montesdeoca

*and the entire Havana Mania family and team!*
